

September

24 Month Newsletter

Dear Angelfish Parents,

Welcome to our 24 month classroom. Kristin and I are looking forward to getting the 2018-2019 year underway. I hope the Meet and Greet was helpful and informative. We also hope that it will alleviate any concerns or apprehensions you or your child might have about this big new adventure.

Each month you will receive a newsletter from our preschool director Stacy Lawrence and one from me. Stacy's newsletter will keep you abreast of all the happenings at the preschool for that month. My newsletter will cover what is happening in our classroom. We will highlight a color and shape each month. We introduce these concepts, not with any expectations other than exposure. It always amazes me what little sponges they are; in particular with repetitive exposure. Our theme for September is "I'm a Big Apple." This theme will be incorporated into art projects, literature and music.

On September 24th car line drop off will begin. For those of you unfamiliar with the process, it is an opportunity for you to pull up to the front door and one of our staff members will walk your child to our classroom. It is a opportunity for separation from parents to be quick and painless. Of course, you are always welcome to walk your child to the classroom if you prefer.

Please remember to supply us with your child's spare clothes, diapers, wipes and photo album if you haven't already done so.

We are excited to begin the school year. Questions are always welcome. You can reach me best via email at kirks6@fuse.net.

Sincerely, Kathy Kirk
