

Dear Little Explorers' Parents,

Thank you so much for coming to the meet and greet for the Little Explorers Class. It was wonderful to meet all of our new students! We are so excited to start off our year of exploration with your children. We have some exciting ways to enhance the wonderful experience of their 3s and 4s regular classes with additional Science, Math, Writing and fun!

Our schedule is as follows:

**Morning Little Explorers**

9:00-9:15 Table Work  
9:15-9:30 Circle Time  
9:35-10:40 Centers  
10:40-11:00 Gross Motor Development  
11:00-11:30 Snack & Closing Circle

**Afternoon Little Explorers**

12:30-12:45 Table Work  
12:45-1:05 Circle Time  
1:05-2:10 Centers  
2:10-2:30 Gross Motor Development  
2:30-3:00 Snack & Closing Circle

In September we will have a special visit from Mother Nature who will teach us all about reptiles and their habitats. We will spend our last week of September hatching a reptile and building habitats! We will also start working on learning the letters of the alphabet and the sounds each letter makes with the help of the Phonics Dance.

Thank you for sharing your children with us! We are looking forward to a great year filled with lots of exploring and fun!

Sincerely,

Mrs. Amy and Mrs. Janean
