

NOVEMBER

NEWSLETTER

Mrs. Hewlett & Mrs. Havighurst

Happy Fall! We had a busy month in October! Show N Tell has been a huge success and I see many children opening up when they normally tend to be shy during class time. We hope your children are coming home and telling you all the things their friends brought in that start with the letter of the week. Our November Show N Tell schedule is listed below.

Our theme this month is Thanksgiving and being thankful. We will be learning some poems about turkeys while also practicing songs for our Christmas program next month. Yes, Christmas is coming and it takes many weeks for us to practice and get ready!

This month in Chapel we will learn about having PEACE. It warms our hearts to see the children enjoying Chapel and learning about the Fruits of the Spirit. We will make bird feeders this month to help feed God's creatures. We will have school picture day on the 14th & 15th and we will have a Thanksgiving Feast with the 4's and PreK class on the 19th & 20th. We will listen to stories and do activities on the iPad to understand the history of the Pilgrims and Native Americans.

As the weather is changing, please check the clothes in your child's backpack. Make sure clothes are appropriate for the season. Thank you! Our sensory table will be filled with corn, birdseed, and cranberries this month.

We will be measuring using scales, making ramps, and doing a cranberry activity in Science. In Math, we will play pattern games on the iPad and play a turkey feather math board game. We will continue to practice cutting with scissors so if you have lots of confetti coming home in the backpacks, we apologize in advance ☺

May God bless your families with a Happy Thanksgiving! We are thankful for you and your children. We appreciate the kindness, patience, and support you've given us so far. Happy Thanksgiving!
