3's Preschool Class

Mrs. Hewlett & Mrs. Havighurst

Welcome back! Hope everyone had a wonderful and blessed Spring Break! It's always nice to take some time off and spend it with the ones you love. The 3's class will be studying the weather and plants this month. We will pretend to be meteorologist in our science center using a huge world map that will be hung in the class and make a tornado in a bottle. We will be measuring our height in Math and our art work will relate to the type of weather we are studying that week. In our sensory table, we will be playing in birdseed and sorting "pretend" worms as we feed plastic birds.

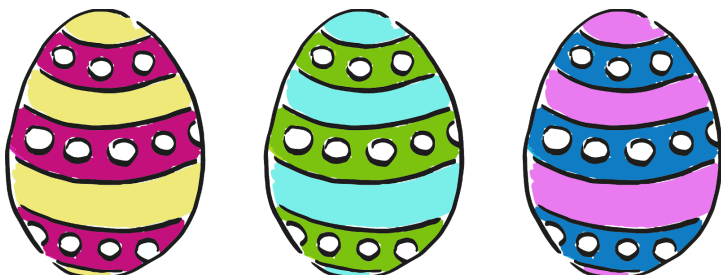

In Chapel, we will learn about Faithfulness and how we can be faithful to God and each other. Our bible verse this month is "For everything, there is a season." Ecclesiastes 3:1. We will talk about the story of Easter using Resurrection Eggs during circle time.

We will have an Easter egg hunt during class on April 17th & 18th. We need each child to bring in 10 plastic Easter eggs filled with candy (peanut free), stickers, or tattoos. We will scatter all the eggs at recess for them to find/collect 10 eggs each. No need to bring Easter baskets, we will decorate bags for them to use when collecting eggs.

Our annual Art Show will be held on April 18th at 6:00 pm till 8:00 pm (Oasis across from the church). This is an opportunity for you to come and see your child's artwork we have collected throughout the school year. They are very proud on this night to show you what they have done and to be in the spotlight.

We will finish all our letters at the end of this month and our last Show N Tell will be on May 1th & 2nd. Your child can bring anything they want to show the class. With the school year coming to an end, it's sad to know we only have 7 short weeks till your little one moves on. We plan to give them lots of attention, love, and hugs till the end!

Show N Tell

Letter W 3rd & 4th

Letter X 10th & 11th

Letter Y 17th & 18th

Letter Z 24th & 25th
