

November SNOOPY Newsletter

Ms. Becky & Ms. Jess

Hi Parents!

We are well into the Fall season and having a great time at school! It is amazing to see our little ones transitioning from activity to activity and from place to place with such ease! This month's theme is Woodland Animals: (Owls, Foxes) and Thanksgiving. Our projects, books, and songs will all be centered around owls, foxes, and the Thanksgiving holiday. Our color is brown and the shape the month is a square. We will be learning "10 Little Turkeys", reading a variety of books, painting, counting, sorting, trying to improve our gluing technique, and getting in some Thanksgiving themed activities!... hopefully, you'll hear about it at home.

Our routines have fallen into place. The children are comfortable and really starting to become more social... both with us and with the other children. Also, thank you for helping us with morning separation at the door!

We love seeing your children every week!

Dates to remember:

November 13th and 14th: Picture Days

November 27th and 28th: Thanksgiving Holidays

Happy Thanksgiving!
