

November 24 Month Newsletter

Dear Angelfish Parents,

November is a busy month with the Thanksgiving holiday. For many years we have celebrated the holiday with our own classroom feast. We would like to again this year. Monday, November 25th and Tuesday, November 26th we would like to invite Mom and/or Dad to come to our classroom at noon and have a potluck lunch with us. I realize that some of you might not be able to make it. If there is another adult who is special to your child such as a Grandparent they are more than welcome to join us. We will all gather in the classroom... space will be really cozy. Therefore, no need to pack a lunch that day for your child.

Please sign up for menu items on Sign-up Genius and let us know who will be attending the feast. It is a special time we all look forward to.

November also means a visit from our friend "Sammy the Squirrel". He is a puppet that likes to "snatch" acorns from little girls and boys. He is always a hit.

As a reminder there is ***no school on November 27th and 28th***. Please don't hesitate to email me with questions at kirks6@fuse.net.

Sincerely, Kathy Kirk

WE WILL CONTINUE TO
GO OUTSIDE, WEATHER
PERMITTING. PLEASE
SEND COATS, HATS AND
GLOVES.
