

October

24 Month Newsletter

Dear Angelfish Parents,

Fall is upon us. I am so proud of our little angelfish. I have witnessed less tears, increased confidence and attempts at socialization. This warms the cockles of my heart. Typically we see peer interactions with such compassion and understanding as the year progresses. Great job boys and girls!

When arriving for pickup I am guessing you noticed how the blinds are closed. Strategically we close them to try and avoid meltdowns. It works best for me and the safety of each child for me to dismiss each child one at a time. I try to alternate whom I call so that all get a chance to practice patience. Thanks for understanding the process.

October's themes are Mexico and Halloween. We will go south of the border and make a water bottle maraca, listen to the "Mexican Hat Dance" and have a Fiesta. In addition we have some spooky Halloween projects planned. At the end of the month we will trick-or-treat throughout the preschool. The children can come dressed in costume or feel free to send with them; whichever works best for you and your child on Wednesday, October 30 and Thursday, October 31st.

Finally, thanks for labeling all lunch items. It really helps us put the right container in the right lunch box.

Sincerely, Mrs. Kirk
