

4s Class December Newsletter

Christmas is almost here and the children are so excited! We are working hard on our Christmas program and our class can't wait for you to see it. The program will be Monday December 9th at 6:30 for the AM class and Tuesday December 10th for the PM class. December 12th is the last day of school before Christmas break and our Christmas Party (children can wear their PJ's to school this day).

Amy and I hope that you have a wonderful Christmas and a Happy New Year. Be safe during your travels and we will see you back at school in January.

December Activities and Curriculum

Literacy Centers

- In the writing center there will be holiday die cuts, stamps, and words to explore writing and making books.
- The Children will be introduced to letter Ll. We will learn how to write the letter Ll and also what letter Ll sounds like and practice that sound at the beginning of different words.
- We will have various literacy games for letter and sound identification.
- The Children will work on writing and recognizing their names.

Math Centers

- Children will explore numbers 1-10: writing, recognizing, and counting.
- We will continue to sort, graph, pattern, and sequence.

Science Centers

- Christmas Light Challenge: Kids will try to make Christmas bulbs light up with a battery.
- Candy Cane Science.

Fruit of the Spirit

- We will be focusing on the birth of Christ this month.
- Practice our Christmas play and songs for the program.

Thank you for sharing your precious children with us each week!

Meredith Bauman and Amy Friday
