

# December Newsletter

**Dear Little Explorers' Parents,**

We hope you had a wonderful Thanksgiving! We started the month learning all about nocturnal animals. The children had a fun presentation from Hamilton County Parks who brought in a Hissing cockroach, Screech owl and a rat! The children got creative in their paintings of the Screech owls that we made. We did a fun experiment at the end of the month that taught us that there are many colors hiding from us in the fall leaves and lights!

We spent the last week learning about Thanksgiving and Native Americans. The children did an amazing job on their Native American projects! The children were so proud of the coil pots that they made

December will be a very quick month for us since we will only be meeting twice before the Christmas break! This month we will be talking about Christmas and we will have a cookie decorating party before we leave for Christmas break.

We will be working on Christmas gifts for our families and a Christmas art project.

We hope you and your families have a Merry Christmas and a Happy New Year! Janean and I will miss our Little Explorers over the holidays and we can't wait to hear all the fun stories from the children when we return.

Sincerely,

Mrs. Amy and Mrs. Janean
