

Lunch Bunch

November 2019 Newsletter

Ms. Amy - Ms. Paola

Dear Lunch Bunch Families,

We hope you all had a wonderful and happy Thanksgiving!
Hard to believe it's now December. Bring on the celebrations!

We had a fun November, concentrating on Thanksgiving crafts, "turkey math" and even some yoga! The children really enjoyed our leaf hunts and fun with the parachute!

December's theme for our class is of course Christmas and the holiday season. Our classroom will feature some festive decor as we discuss "the reason for the season." December will bring a shorter school schedule so we will pack in snow and Christmas themed crafts along with singing carols, doing some "snowflake math" and sharing seasonal stories.

Ms. P and I can't wait to see your little ones in the Christmas production!

Outdoor Play

As long as it's not raining, snowing or extremely windy, and it is above 32F, we'll go outside to burn off energy and get some fresh air. Please be sure your children have the appropriate clothes.

Important Dates

Dec. 9 & 10	Christmas Programs
Dec. 12	Last Day of Classes
Dec. 13	Winter Camp 2019

Merry Christmas!
