

January Newsletter

Dear Little Explorers' Parents,

We hope your Christmas and New Years were filled with love and lots of laughter! Janean and I had a great December with your children learning about their Christmas wishes and watching them in the Christmas program. Thank you again for all the incredible Christmas gifts and cards! We are looking forward to welcoming back all the kids and hearing about their Christmas celebrations!

In January we will start the month off with a visit from Mother Nature and her program about Recycling. The Cincinnati Museum Center will stop by at the end of the month with Stuff the Amazing Anatomy Doll! In the classroom we will make a recycled art project and make a castle with recycled materials for our STEM challenge!

Please remember that we do not have school on Monday, January 20th!

Don't forget that we go outside if it is 32 degrees or above. Please pack hats, gloves and a warm coat!

Sincerely,

Amy and Janean
