

SNOOPY CLASS

Ms. Becky & Ms. Jess

It is so hard to believe that January has passed and we are into the month of February! The school year is really going by fast especially since the rush of the holidays is now over. The children did a great job returning from the Christmas break and getting back into the swing of things. We also enjoyed meeting everyone at conferences. It is always nice to take the time to talk about your children.

Our shape this month is the heart and our color is pink. We will focus on our favorite book - "Llama, Llama, Red Pajama" and also touch on Valentine's Day. Valentines and treats are welcome the week of the 14th! Please look for a sign-up sheet.

We had a blast with our January "Frozen" month. I hope everyone enjoyed it as much as we did. (since the weather did not cooperate with us in January, look for snow in this month's sensory table!)
