

March Newsletter

Dear Angelfish Parents,

With the month of March upon us Mrs. Ayler and I are hoping that warmer weather is on the horizon. There is no substitute for sunshine and being outside.

Our theme for this month is St. Patricks Day and Transportation. This group of children love anything with wheels so I am excited to see how they respond to our projects. It has been fun to watch the children embrace all our varied art projects with enthusiasm and determination.

It looks like we have some Birthdays coming up. Please let me know if you would like to have your child celebrate at school.

Thank you for your support. We are so proud of your children.
Sincerely, Mrs. Kirk

Spring break will be Monday, March 23rd through
Friday, March 17th.
