

March 3's Classroom Newsletter

**Mrs. Hewlett & Mrs.
Havighurst**

Our theme this month is all about animals. We will start the month learning about pet animals and end the month with zoo animals. We will be working on numbers in Math, pretend to be veterinarians in our Dramatic Play Center, learn about animal habitats and nocturnal animals in Science, and celebrate the spirit of St. Patrick's Day in our sensory table. The sensory table will be filled with dry green split peas, green/gold coins, mini black cauldrons, shamrock numbers, and mini Leprechauns. We will celebrate St. Patrick's Day on the 16th & 17th and eat green Oreos and drink green water. **Make sure your child wears GREEN on the 16th & 17th!

Our fruit of the spirit this month is GENTLENESS. We will talk about being gentle with animals, pets, and with others. Our bible verse is "Let your gentleness be evident to all!" Philippians 4:5.

REMEMBER: Spring Break starts March 21st and your child will come back to school on either Monday, March 30th or Tuesday, March 31st.

We hope you are able to spend some quality time with your child during their Spring Break. If your family plans to travel, we pray you have a safe and fun trip!

Show N Tell

Letter T 4th & 5th

Letter U 11th & 12th

Letter V 18th & 19th
