

Lunch Bunch

March 2020 Newsletter

Ms. Amy and Ms. Paola

Happy March, Lunch Bunch families!!!

We had an awesome and jam packed February here in Lunch Bunch! We started out talking about Groundhog's Day and the weather (fun fact: the groundhog's predictions are only "right" 37% of the time. Who knew?!), followed by Valentine's Day celebrations capped off with a fun Sweet Evening with Dad's. It looked like everyone had a great time! We ended the month learning all about animals, wild and domestic, and working hard on artwork for the upcoming Art Show in April. We have such creative kids in class!!

March will see us covering some fun topics in class, such as Dr. Seuss, rainbows, celebrating St. Patrick's Day and welcoming Spring!

Important Dates:

March 23-27 Spring Break
