

SNOOPY PDO

Ms. Becky & Ms. Jess

Welcome to the Snoopy class! We are looking forward to this year and are excited about all the fun things we will be doing!

Our theme for the month of September is "Getting To Know You and Snoopy." We have many activities planned for this month:

- Learn about the color red
- Learn about the circle shape
- Learn the ABC song
- Read Dr. Seuss's "The B Book"
- Count and sing "5 Little Snoopys"
- Paint
- Introduce the "Fruit of the Spirit"
- And much more

Every month we will have a new theme and base our activities around that theme.

We have a lot planned, but in the beginning our schedule will be very flexible- this will change as the children adjust to us, one another and being away from mom and dad.

This year we will try to be outside as much as possible. Please dress your child accordingly. It is **EXTREMELY** important to **LABEL** everything that comes into the classroom: cups, clothes, etc. -a lot of children have the same items and we do not want to mix anything up.

IMPORTANT REMINDERS:

- Please send in a family picture to hang in our classroom.
- Bring in a sippy cup with your child's name on it and have another packed in with the lunch. Cups should have a top and some sort of plug to keep it from leaking.
- Lunches should be something easy the children can feed themselves. Finger foods are usually the best (please see our "Helpful Lunch Hints page"). We do send out reports every day that will tell you how much lunch your child ate. Don't be alarmed in the beginning weeks if it is not a lot. School is new!

Again, if you have any questions or concerns please do not hesitate to let either of us know. We want your children to have fun in our class!
