

## Angelfish October Newsletter

Mrs. Kirk and Mrs. Ayler

Dear Angelfish Parents,

We are so proud and amazed by our little Angelfish! They have adapted so quickly to school with fewer tears, increased confidence and numerous beautiful smiles.

We are using the Dojo App in class which allows me to send you pictures of your children. The children are very willing to have their picture taken to show you how much fun they are having. Please let me know if you are having trouble finding the app.

Thank you for your patience with our new drop off and pick up procedures. It is a work in progress. Please make sure your child's blue name card is on the passenger side of your dashboard. It helps to speed up the process. Also, please have your child's car seat on the passenger side. We realize this might be difficult for some families, so please do your best. Obviously your child's safety matters most.

Thank you for packing nutritious lunches. As a reminder, we are a Nut Free school - no tree nuts or peanuts. Sunbutter is permitted, but please label it.

Each day we select a classroom helper. Their duties include: line leader, ringing the lineupbell, passing out place mats and leading lunchtime prayer. They love this privilege. Make sure to ask them about it when it is their turn to be the helper.

Our theme for October is Halloween. Our shape is a square and our color is blue. A tractor ride and a trip to the "Pumpkin Patch," are a few extra activities planned

for this month. If your child has a birthday this month, please email me if you would like to plan something special.

Thank you again for entrusting your children with us. We feel very blessed.

Sincerely,  
Mrs. Kirk
