

3's Class October Newsletter

Mrs. Hewlett & Mrs. Havighurst

We had a great start to preschool! We have made many friends and are enjoying our time together. It warmed our hearts to see the kids open up to us and take pride in their work.

This month we will work on letters, learn to trace our names and use the iPad to learn one to one correspondence. In Science, we will use magnifying glasses, learn about motion, and investigate pumpkins! In Math, we will sort and graph cars and scoop seeds out of a pumpkin at the sensory table. The instruments will be coming out this month and this is a FAVORITE in every class! We will learn how to use each instrument and have a marching band throughout the preschool halls 😊

We will have a Halloween celebration on October 28th & 29th. The children can wear their Halloween costumes (NO MASKS OR WEAPONS) to school and we will have a small Halloween celebration. We will play a Halloween game and make a Halloween craft. In years past, we've had parents come in to help with the game and craft. Unfortunately this year, that will not be permitted. If you would like to purchase a craft for our class to make or create/purchase a game for us to play, we would greatly appreciate the help! It does not need to be anything fancy. Just a quick 5/10 minute craft and game. Thank you for sharing your children with us! God is so good and has blessed us with great classes this year! Happy Fall!

Show N Tell Schedule

Letter B October 7th & 8th

Letter C October 14th & 15th

Letter D October 21st & 22nd

Letter E October 28th & 29th
