3's Preschool Class

Mrs. Hewlett & Mrs. Havighurst

Welcome to the 3's classroom! We are looking forward to the first month of school and getting to know each other. It was so nice meeting everyone at Meet & Greet. We promise this will be a fun-filled year with many exciting activities. Our theme this month will be focusing on "How To" do many things in our preschool class (use glue, use scissors, use the potty, wash hands, walk in a line, get along with others and more). We will also focus on our colors and shapes.

Your child will be busy during class sharing his/her stories at circle time, singing, dancing, saying the pledge, learning bible verses, working one on one with his/her teachers and making new friends. We have many centers set up in our classroom. These include writing, art, blocks, reading, sensory, math, dramatic play, and science. The children will move freely through the room during center time to explore and learn.

Please send your child to school in comfortable clothes and shoes to play indoors and outdoors. Shorts or pants with elastic waist, is a good way to help your child be more independent and makes for a quicker, easier bathroom trip. Please keep extra clothes, underwear and socks in your child's backpack in case of an emergency.

We will have Chapel in our classroom this month and learn about the Fruits of the Spirit. We will also learn a class prayer called "God Made the Sun."

Thank you for trusting us with your child. We are looking forward to a great year! We hope to make this transition a great experience for you and your child. Our goal is to "win them over!" Please feel free to contact us with any issues or concerns you may have throughout the school year. Our email is dathak@cinci.rr.com and havighurst@aol.com. We are here to help your child grow and we want each of them to love preschool and us!

Thank you,

Mrs. Hewlett & Mrs. Havighurst
