

4's Class

September Newsletter

Mrs. Friday & Mrs. Dicari

Welcome to the 4's class! We are so excited to get to know your children this year! We will spend the month of September getting to know each other and learning the rules of our classroom. We promise that this will be an exciting year filled with lots of learning and lots of fun!

We will start each day with circle time where we will say the Pledge of Allegiance, share stories, talk about the weather and update the calendar.

The children will get to explore different centers in our classroom. Our theme this month will focus on increasing our fine motor skills. We will have Q-tip painting at the art center, magnets and a bridge building STEM challenge in our science center, card making in the writing center and sorting in the math center.

Please send your child in comfortable clothes that can get dirty! We love to paint in the 4's class and even though the children will be wearing smocks, paint tends to get everywhere! This year we will be spending as much time outdoors as possible. **Please make sure that your child is dressed appropriately for the weather. Sneakers and closed toe shoes are really the best options for preschool. Please make sure that you have an extra set of clothes, underwear and socks in your child's backpack.**

Thank you for sharing your children with us! We are looking forward to getting to know your children and we are looking forward to a great year. Please feel free to contact us if you have any questions!

Thank You!
Mrs. Friday & Mrs. Dicari
