

## 4's Class October Newsletter

Mrs. Friday & Mrs. Dicari

We are off to a great start in the 4's class! We spent a lot of time in September learning our routine and getting to know one another. In October, we will add to our daily routine, continue to improve our fine motor skills and work on developing good handwriting habits.

Our theme this month is Birds, Fall, Spiders and Halloween!

### October Activities and Curriculum

#### Writing and Literacy

- Practice writing and recognizing first names along with the letters P, B, R and N.
- Learn beginning sounds during circle time and in the mystery letter bag.
- Practice writing sight words and letters through card making at the Writing Center and use bird seed to write.

#### Math Center

- Children will explore the numbers 1-5.
- Sort Halloween shapes.
- Work on shape recognition.

#### Science & Stem

- Learn the parts of a bird and the parts of a spider.
- Conduct a science experiment to learn about why leaves change colors.
- Build a treehouse as a STEM challenge.
- Explore pumpkins.

#### Spiritual

- Our Fruit of the Spirit this month is Love!

#### Extra Activities

- Our Fall Festival will be Wednesday, October 14th.
- We will celebrate Halloween on Thursday, October 29th.
- More details to come!

Thank you for sharing your children with us!  
Amy Friday & Janean Dicari
