

Pre-K Class (Mrs. Vaughan & Mrs. Shapiro)

September is over and we are getting familiar with our routine. The children have been having a lot of fun making new friends and learning new things. October is filled with quite a few crafts and a lot of learning. We will be starting our grocery theme this month. We will introduce math and literacy games that incorporate that theme. We will continue to practice sorting, patterning and counting and will begin to discuss opposites. We will finish up our lesson on the five senses and will introduce science lessons on pumpkins, rocks and nocturnal animals.

Star of the Week will begin this month.

Science

Finishing up our 5 senses
Pumpkins
All about Rocks
Nocturnal animals

*Our sensory bins will be filled
with black beans
