

November 2020 Lunch Bunch Newsletter

Mrs. Amy Mrs. Monica Mrs. P

Happy November to our Lunch Bunch families!

We had such a great time in class last month. October flew by!

Everyone really enjoyed the wonderful outdoor weather - fresh air is vital. We used many different objects to build in October. Car races were very popular. We always have music playing. Our favorite songs are "Ghostbusters" and "Who Let The Dogs Out." We continue to create awesome arts and crafts projects. The children really enjoy using play doh. We have mixed in a few science experiments during our time together with circle time books being a great way to end our day!

In November we will explore the outdoors. Our themes are trees, leaves and forest friends (owls and foxes). As a reminder, Thanksgiving break will begin after classes on Tuesday, November 24. Cute hats to wear at Thanksgiving dinner are forthcoming!

We are thankful for all of you!
