

October Newsletter Lunch Bunch Ms.Amy Ms. P Ms. Monica

Hello from Lunch Bunch!

What a great start to the year we have had in our classes!

Ms. P, Ms. Monica and I are having a great time. The children have adjusted so well to a new school year. We learned about germs and staying healthy, along with exploring the outdoors with our new friends. Our unit on animals was a hit! We discussed our pets, our favorite wild animals and what we see when we visit the zoo.

Looking ahead to October, we are full speed ahead to the Fall. We will be talking about “healthy foods” including apples and pumpkins. We have fun Halloween crafting planned, along with singing, dancing and playing new games. Circle time has been a big success and we will continue to share new books as a group. October will bring scavenger hunts and nature walks. Please feel free to dress your child in comfortable shoes/ boots and maybe a jacket or sweatshirt as it cools off.

We are looking forward to sharing more time with your children in Lunch Bunch!
