Theme: All About Nature/ Thanksgiving

November 2-6 Leaves and Trees

Explore the wonders of Fall! This week will feature nature walks and a scavenger hunt. We will create art projects with the leaves we find. We will have nature themed yoga and play with some “flying leaves” during parachute time.

November 9-13 Owls and Foxes

What is a “nocturnal animal?” Let’s explore. We will share some new books during circle time about owls and foxes. We will learn about animal adaptations while we act out our animal roles. Stay tuned for some fun and creative drawings.

November 16-20, 23-24 Thanksgiving

This week we will discuss all that we are thankful for. We will practice our math skills with “turkey feather matching” and a “stuff the turkey” counting game. There are lots of new songs to sing and dance too. Get ready for a fun hat your child can wear for the big turkey dinner!
