

Pre-K Class (Mrs. Vaughan and Mrs. Shapiro)

With only 2 weeks of school this month, we have a lot to squeeze in. We will be taking a few days to assess your child in preparation for conferences as well as the many holiday activities we have planned. Our dramatic play area will be transformed into Santa's workshop. We will have rice in our sensory bins and we will be making ornaments, painting with X-mas bows, making our wish list for Santa and making some extra special "secret" gifts for our loved ones. We will be doing a X-mas tree stem challenge with straws and play-doh and we will continue to pattern using gingerbread and holiday cards. We will be measuring with gum drops and rainbow rulers and we will of course, continue to write words this month in our holiday writing station..

Crafts

Salted Christmas Trees

Santa's wish list

Baby Jesus

Christmas presents

Painting with Christmas bows

Self-portraits

Christmas wreath

Science

Animals and bird feeders

Christmas tree stem challenge (using straws and play-doh)
