

SNOOPY CLASS FEBRUARY NEWSLETTER

Ms. Becky & Ms. Jess

It is hard to believe that January has passed and we are into the month of February! The school year is going by so fast, especially since the rush of the holidays is now over. The children did a great job returning from Christmas break and getting back into the swing of things. We enjoyed meeting everyone at conferences and it is always nice to take the time to chat about your children.

Our shape this month is the heart and our color is pink. We will focus on our favorite book –“Llama, Llama, Red Pajama” and also touch on Valentine’s Day with a little Peppa Pig thrown in!

We had a blast with our January “Frozen” themed month. I hope everyone enjoyed it as much as we did. now, maybe we can get some real snow in February!
