

24 Month January Newsletter

Dear Angelfish Parents,

Happy New Year! We made it to 2021. It seemed like an impossible task in September, yet here we are. We hope you all had a marvelous Christmas with your family. A Christmas to remember, that's for sure.

Mrs. Ayler and I thank you for your generosity. You showered us with such thoughtful gifts. We truly felt loved and a little bit spoiled. An extra shout out to Acacia and Livy's Mom for coordinating the classroom gifts. What thoughtful families you all are.

Class will begin Tuesday, January 5th. Our theme this month is "Winter". We have lots of fun activities planned: melting snowmen, creating crystal snowflakes and exploring instant snow. In addition, we will read the book "The Mitten." We have various activities to go along with this beautiful story.

We will be available for conferences in January. I will send a Sign Up Genius out soon. This will be a similar set up to the Meet and Greet we offered in the fall. Conferences are not mandatory and should you prefer a phone conference, please let me know.

We are looking forward to seeing all of you on January 5th and 6th. Thanks again for your amazing support.

Sincerely,
Mrs. Kirk
