

Dear Parents,

We can't believe it is already February! January was an exciting time for us to see amazing changes in your children! We are so proud of the growth we've seen in their social, artistic and academic skills!

This month we will learn the numbers "9" and "10", the color black and review colors. We will also learn about the shapes triangle and rectangle. Our themes include dinosaurs, our 5 Senses and Valentine's Day!

On February 10th and 11th we will celebrate Valentine's Day in class. We will pass out a small "sweet treat" to enjoy!

We are looking forward to a fun and busy month! As a reminder, if you ever have any questions/concerns please don't hesitate to contact us. Communication is a vital part of the continued success of our classroom family!

Sincerely,

Ms. Tina and Ms. Chrystie
