

## 3's Class February 2021 Newsletter

This month we will be learning about Community Helpers and our Five Senses. We will start the month learning about community helpers. We will pretend to be doctors, construction workers, work at a post office and make art projects related to jobs in our community. We will end the month learning about our five senses. We will graph what we smell using scratch n' sniff stickers, what we are touching in a mystery box and listen to different sounds we hear using a sound tower. We will use Mr. and Mrs. Potato Head at center time to discuss our five senses and make a Mr. Potato Head craft.

Our Fruit of the Spirit this month is kindness. We will talk about being kind to one another and hear stories from the Bible in class and at Chapel. Our bible verse is "Be kind to one another." Ephesians 4:32.

On the 10<sup>th</sup> & 11<sup>th</sup>, we will let each class pass out Valentine cards to their classmates. When preparing these, have your child write their name on the FROM: section, but DO NOT have them write a name in the TO: section. This makes it easier for them to hand them out on their own. We will also decorate a bag in class to collect our Valentine cards, so there is no need to send anything in to collect the Valentine cards.

Just like our holiday party, we will have a Valentine's Day Party the last 45 minutes of class on the 10<sup>th</sup> & 11<sup>th</sup>. A Sign-up Genius will be sent out for those who want to help supply game, craft, or supply items for the party. Any help is greatly appreciated!
