

4's Class January Newsletter

Happy New Year! We hope you had a relaxing and enjoyable winter break. Janean and I are excited to welcome each of your little ones back to school this week. Thank you again for all the wonderful Christmas gifts and cards. We are so grateful to be working with such kind and generous families.

January will be a busy month filled with lots of fun activities. We will continue to learn a new letter each week and practice the beginning sound associated with that letter. Your child will practice recognizing and writing their first and last names. We will continue to work on number sense, patterning and graphing.

We will have conference times available in January. This is a great time for us to discuss your child's progress so far this year. I look forward to meeting with each of you during this time. Sign-ups will be available through Sign-Up Genius later this week or early next week.

Special Reminders

Please remember that we will go outside to play as long as the weather is above 32 degrees. Mittens, hats, and warm coats help the children enjoy their time outside. Also, if you would please work on teaching your child to put their coat on and zipping independently that would be very helpful.

Warmly,

Amy Friday and Janean Dicari
