### February 1-4 Groundhog Day Celebration

It's Groundhog Day!!! (I absolutely love that movie, but I digress...) This week we will be discussing Punxsutawney Phil and how he "forecasts" the Winter season. We will make weather predictions of our own and play with "snow" that we will make. Stay tuned for cute groundhog puppets that will make their way home!

### February 8-11 Its Valentine's Day

It's time to celebrate those we love! Please feel free to send in a picture of your family pet (or fuzzy stuffed friend) so we can decorate our class bulletin board. We will be celebrating all week with special "gifts" for our parents, sharing new songs and stories and incorporating "heart

math."

### February 15-18, 22-25 President's Day/ Musical Instrument Fun!

Whew... February has a lot of holidays!! This week we will be learning new patriotic songs and sharing a few new president books during our circle time. We will be spending a couple of weeks learning about musical instruments - we have a bunch to try out! We will share our musical talents with the entire building as we do a musical parade!
