

## Lunch Bunch March 2021 Newsletter

Ms. Amy      Ms. P      Ms. Monica

### March 1-4 Dr. Seuss Fun!

This week we will be sharing the always favorite works of Dr. Seuss including *One Fish, Two Fish, Red Fish, Blue Fish* and *The Lorax*. We will be making Lorax masks and painting fish. Our challenge this week will feature “cat hats” (red Solo cups) and a chance to see how high we can stack them! We will have some cute thematic counting sheets as well.

### March 8-11 Rainbow Time!

I’m crossing my fingers that maybe March showers will bring us some rainbows to see! We will be discussing weather and how rainbows form in the sky. Our experiment will be how to create our own rainbows on the wall. We will have a rainbow scavenger hunt outside, seeing how many things we can find that are all the colors of the rainbow.

### March 15-18 St. Patrick’s Day

This is such a fun holiday as we get to introduce a “silly leprechaun” to our class. Don’t tell the kids, but I plan on having a “leprechaun” leave us a surprise in our class as we play outside. We have some gold coin bingo to play and some fancy clover hats to wear for our attempts at Irish dancing. We will have a fun week of celebration!

### March 22-25 Welcome Spring!

Is it tropical weather time yet?! No matter, we will be using *The Very Hungry Caterpillar* to introduce our week. We will be making “caterpillar names” and a fancy caterpillar themed necklace. We will have a new Spring-themed movement game to play. We will be working on our fine motor skills with a cute bird seed activity as well.
