

Dear Parents,

Spring has sprung! We missed seeing you and your children during Spring Break and look forward to hearing their entertaining accounts of how they spent their time! Each of our classes have become a close-knit community and it is a joy to share this time together.

The month of April is a time of celebrating new beginnings. We will be learning the numbers "13" and "14" and the shapes hexagon and pentagon. We will discuss the season of Spring, Earth Day, gardening, insects and working on a special surprise for all of our mothers.

Wee Three Kings will have our Annual Art Show this month hosted at Wee Three Kings Preschool. Please be on the look out for Sign Up Genius to find a slot that will work for your family. The kids are always so proud of their artwork and we are so proud of them!  
We hope to see you all there!

We would like to thank everyone for all the sweet notes, goodies and treats for Teacher Appreciation Week. You all were so generous!! We really felt loved and appreciated!! Many Thanks!!

Sincerely,  
Ms. Tina and Ms. Chrystie
