

## Pre-K Class (Mrs. Vaughan and Mrs. Shapiro)

I can't believe it's already April. This month we hope to do a few of our crafts outside if the weather allows us to. We will be incorporating a lot of spring crafts and activities to our lesson this month. April will involve a lot of review of letters and numbers and we will continue to work on those beginning letter sounds.

### Crafts

Yarn block prints, yarn flowers, flower boxes, painting w/yarn, cupcake tin flowers, yellow collage, painting at the easel, zig zag art, paper plate zebras, lady bug number craft, coffee filter flowers, zany painting, stained glass, zero the hero, grow grass, paper plate caterpillar, spring wreath, kites, number caterpillars, egg carton flowers, open art, flower petal counting craft, shadow painting, handprint campfires

### Science

Lifecycles – April 5-8

Insects – April 12-22

Plants – April 26-29

### Math

Build a caterpillar count and add game  
Patterning w/bugs
