

Snoopy Class Ms. Becky and Ms. Jess

We can hardly believe this is our last newsletter and that it is the end of the year! Time has flown! We have had so much fun spending time with your children this year. Jess and I were just talking about how much our little friends have changed from the beginning of the year. We have enjoyed watching them grow!

For our last month, the special theme will be Summer Vacation! We will focus on the color blue, water and sand in the sensory table, crabs, and Baby Shark!

Thank you for sharing your children with us- we will miss them next year!

Have a fabulous summer!
