

24 Month May Newsletter

Dear Angelfish Parents,

We made it! We are so appreciative of everyone's effort to keep us all safe and healthy this year.

Our final theme is Dinosaurs. We will review all shapes and colors and say Good-bye to each other.

On behalf of Mrs Ayler and myself, I want to thank you for all the love and support you provided us throughout the school year. It has been an honor having your children in our classroom and watching them unfold before our eyes. May God continue to bless you all. Enjoy your summer!

Sincerely, Mrs. Kirk
