

## 3's Class May Newsletter

**Mrs. Hewlett & Mrs. Havighurst**

Can you believe it's May? Your children have worked so hard this school year and we are very proud of them! We are going to focus on Summer Fun and enjoying the last weeks of preschool together. We will have free choice on the IPad, determining if an object will sink or float and play in the water table using sea animals and boats. We will talk about what we want to be when we grow up, do Lego Math, make playdough fossils using sea shells and take a nature walk on the school grounds. We will choose our favorite songs, dances and games from the school year to enjoy during circle time.

Our last Chapel time will be on May 3<sup>rd</sup> & 4<sup>th</sup> and we will learn about SELF CONTROL. Our Mother's Day Program will also be on May 3<sup>rd</sup> & 4<sup>th</sup>. The last day of preschool will be May 11<sup>th</sup> & 12<sup>th</sup> (depending on the day your child attends).

We want to take this time to say how much we appreciate all your support this school year. We are blessed each year with amazing parents and children. It makes our job so much easier and it makes for a fun year when we are loved like family. Thank you for letting us be a part of your child's life and I hope you will come back to visit us because our door is always open! We pray God blesses your family with a great summer filled with love, happiness and memories you will treasure forever!
