

4's Class April Newsletter

The month of March was filled with celebrations! We celebrated St. Patrick's Day with festive crafts and had a visit from a sneaky Leprechaun. We ended the month with Spirit Week and Easter! The children loved hunting for Easter Eggs, making cookies, tasting jelly beans and turning eggs into bouncy balls (sort of)! Thank you again for your generous and thoughtful Teacher Appreciation treats and gifts. We are truly blessed to have such amazing families in the 4's Class!

During the month of April we will finish up our last three letters of the alphabet and the number 20. We will then start reviewing letters A-Z and numbers 1-20. We will also revisit some of our math concepts including quantities and measurement.

We are also looking forward to welcoming our families into the classroom on Wednesday, April 21st for our Art Show. More information, along with a Sign Up Genius, will be coming soon.
