

Hello STEAM families and Happy New Year! We have missed seeing so many of you and look forward to giving “Good Morning Hugs” to all sixteen of our students very soon.

During the month of January we will:

- Build catapults
- Experiment with ice
- Create recyclable objects
- Discover hibernation

Thank you for sharing your little ones with us; they truly are a gift from God. See you again soon!

Fondly,  
Ms. Boldizar
