

Hello STEAM families. It is hard to believe November has come and gone! We have missed seeing so many of you and look forward to giving “Good Morning Hugs” to all sixteen of our students very soon. In November we explored building strong structures with The Three Little Pigs (by far a class favorite), created Leaf People and built sturdy buoyant ships.

During the short month of December we will:

- Explore The Gingerbread Man and build structures to keep him safe
- Build a Christmas tree

As always, if you have not downloaded the GroupMe App, attached is the invitation. You will be able to view class pictures and important last minute notes and reminders.

Thank you for sharing your little ones with us; they truly are a gift from God. Merry Christmas and Happy New Year. We will see you again soon in 2022!

Fondly,
Ms. Boldizar
