

Dear Angelfish Parents,

We hope you had a wonderful holiday season with your families. It was a nice break with time to relax and dodge the various illnesses floating everywhere. Thank you ALL for the generous gifts you lavished Monica and myself with this Christmas season. That was so thoughtful and generous of all of you. We truly felt loved.

January is a full month. Our theme is Winter. Our color is purple and our shape is a star. We will discuss and explore a multitude of winter topics. We will also read "The Mitten" by Jan Brett. It is a Ukrainian Folktale that intrigues young children. On Monday, January 17th there will be no school for a teacher in service.

Finally, be on the lookout for a SignUp Genius to schedule your child's assessment review. If you would prefer I can offer a conference call. Just email me your preference at kirkkathy55@gmail.com. Thank you all for your support... we are truly blessed to know your children.
