

September Newsletter

Dear Parents,

We hope you all had an enjoyable summer with your family and friends. We are excited and eager to begin the school year with your child! Ms. Chrystie and I have many fun things planned for September.

This month we will spend time learning our Busy Bee classroom routines, in addition to getting to know one another. Our themes will be "All About Me", "Apples", and "Family and Friends". The children will enjoy using their imagination, as well as a variety of materials when creating art. We will also begin learning about the number "0", and the color yellow.

Beginning in September we also have some class birthdays. To celebrate your child's birthday, you are welcome to send your child's favorite book to the class, and/or bring a peanut/nut free pre-packaged treat to share. If interested, just let us know before your child's birthday!

We are looking forward to a wonderful year of learning, growing, and making new friendships!

Sincerely,
Ms. Tina and Ms. Chrystie
