

Oct. 3-6

Planting seeds!

We will be exploring the new garden beds here at w3k and planting our very own pumpkin seeds! It is late in the season so we will be planting some more in the spring to watch them grow. Planting seeds we will be focusing on our fine motor skills and following directions! So excited!

Oct. 10-13

Pumpkin color mixing!

Dive into color theory this week as we mix colors and paint our pumpkins! Learning how to mix primary colors to make secondary colors. Practicing sharing brushes and personal space!

Oct. 17-20

Pumpkin sensory squish bag/ candy corn experiment

This week we will be using our 5 senses to analyze and conclude our thoughts about pumpkins and candy corn!

Oct. 24-27

Halloween party and Pumpkin Pie!

Pumpkin pie and pumpkin seed tasting! (Please email me if you would like to exclude your child from tastings) Pumpkin pie will be vegan and gluten free! Seeds will be with shell.

Oct. 31-3

Transitioning into November we will be making art for the bulletin board outside of Mrs. Windys office! Lunch Bunch takes over for the month of November!

Beginning to talk about thankfulness, focusing on Psalm 107:1-2.

Lunch Bunch October ~ Weekly Activities

The first month of Lunch unch was Bunch a blast with everyone! Very impressed with all the creative lunches and lots of fresh fruits and veggies! Keep 'em coming! Below is our classroom bulletin board. All of our lunch bunchers worked so hard to complete each their own leaf to add to our tree of life. Please email with any comments/questions! Thank you and we look forward to October!
