

## OCTOBER NEWSLETTER

We have had a great first few weeks of STEAM, getting to know the class and the new routine.

We had a lot of fun learning some new things and I hope they came home talking about some of the new words we learned.

This month we will start off with learning about ourselves. We will have a visit from Mothers Nature to learn about our bodies, we will make a life size me and a paper mache head> Dress in play clothes, as it could be a messy day!

We will then move onto our first fairy tale with 3 Billy Goats Gruff and learn about bridge building.

The month will finish off with some fun with Goldilocks and the 3 Bears and we will start to learn about coding. We'll also have some fun with pumpkins and start a year long project with rotting a pumpkin in a jar and see what happens to it throughout the year. Hopefully if we get some pumpkin shoots to plant in our garden.

Please check GroupMe for pictures and weekly updates.

Happy Fall 🍁

Ms. Jess and Ms. Lisa
