

Dear Angelfish Parents,

Happy fall. We are so pleased to see the progress each of your children are making. They seem to be embracing the classroom setting and enjoying the structure of the day. We are so proud of them.

Two dates to remember. Monday, November 21st and Tuesday, November 22nd we will celebrate Thanksgiving potluck style in the classroom. Parents, please join us for this annual event. Be on the lookout for a Sign-Up Genius email.

I hope everyone is receiving the daily pictures via text message. Please let me know if you don't receive them.

November's theme is Thanksgiving. Our shape is a Triangle and the color Green. "Sammy the Squirrel" will make his annual appearance throughout the month. He is a puppet that loves to eat acorns. Please don't hesitate to contact me if you have any questions at kirkkathy55@gmail.com.
