

Hello STEAM families. It is hard to believe November has come and gone! We were extremely busy. We built cars (and rebuilt cars), created Leaf People and built sturdy buoyant ships, much like Noah's Ark.

During the short month of December we will:

- Explore computer coding
- Build a Christmas tree

On December 9, we invite you to join our class at 12:45 for hot chocolate (siblings are always welcome). Take a few minutes to sit back, relax and enjoy this special time of year.

Thank you for sharing your little ones with us; they truly are a gift from God. Merry Christmas and Happy New Year. We will see you again soon in 2023!

Fondly,  
Ms. Boldizar

Merry Christmas
