

January Lunch Bunch!

Jan 3-5

Welcome back week!

This will be a short week as we come back on Tuesday! This week we will be finishing up last year's art projects for this year's art show. I will also be introducing this month's cake project.

Jan 9-12

Cake Ingredients!

This week we start building the base of our cakes. Using cardboard, scrap paper, scissors, pipe cleaners and more. This will enhance and work on building our teamwork and sharing skills!ca

Jan 17-19

Cake building!

This week we will start attaching layers to our cakes base. Building from the bottom up. Students will strengthen their multi step instruction skills during this activity.

Jan 23-26

Icing on the cake!

This week students are given the freedom to decorate away with markers, paint, glue, glitter and more! Strengthening fine motor skills and creative freedom with confidence in decision making.

Jan 30-31

Candles on the cake!

This week we wrap up our cakes, and introduce February's project.

Dear Families,

Happy New Year! I hope you all had such a wonderful Christmas! Thank you so much for the lovely cards and gifts. I appreciate them the most ever! Looking forward to starting school back up after the break. Thank you as well to those who supported me by coming to see the play on Christmas Eve! It was a true blessing. Super excited to hear how your family's christmas time was and see you in the new year! ;)
