

## SNOOPY CLASS

March 2023

*Ms. Becky and Ms. Jess*

It is hard to believe that March is here and Spring is just around the corner. This month our themes are St. Patrick's Day and March Winds. We will be singing and dancing to our favorite tunes and hopefully enjoying some nice early Spring weather! We will also keep working on identifying a square and the color green.....AND have a little St. Patrick's Day fun. It will be a very busy time!

We love seeing your children every week- we always have so much fun!
