

Dear Angelfish Parents,

The year is whizzing by. Hoping that a healthy spring and lots of warm weather is in our future. Our themes for March are St. Patrick's Day, Transportation and Easter. Our shape is an oval and our color yellow.

We have some fun projects planned to include, "I'm a Little Leprechaun" video and painting with match box cars. I love watching the children go from being observers to budding artists. Trusting that what we have to offer is worth dropping a toy for. A reminder that Spring Break runs April 3-7th.

Thanks again for all your support. Never hesitate to reach out if you have any questions.

Sincerely, Mrs. Kirk
